RULES OF COMPETITION

1. Standard Unit:

Adult unit shall consist of 60 arrows, shot at a distance of 20 yards in 12 ends of five arrows per end.
Youth unit shall consist of 30 arrows, shot at a distance of 15 yards in 6 ends of five arrows per end.

2. Targets:

2.1 The target shall be 40 cm. in diameter and shall be of a dull blue color. The spot shall be two white rings with blue X in center ring. All inscribed scoring rings shall be white.

2.2 The bullseye shall be 8 cm. in diameter with a 4 cm. X-ring.

3. Shooting Positions:

Shooting positions will provide sufficient area to enable two archers to safely shoot simultaneously at one target butt. Targets will be placed side by side on each butt. should an archer shoot at the wrong target, his/her arrows will be counted as misses.

4. Shooting Rules:

4.1 An archer shall stand so that he has one foot on either side of the shooting line.

4.2 The time limit shall be four minutes per end.

4.3 The method of breaking ties will be a single-arrow, sudden death round.

4.4 In the event of equipment failure, the archer will have fifteen minutes re-pair time without holding up the tournament. One practice end will be allowed. The archer shall be allowed to shoot any arrows he or she did not shoot during the fifteen minutes repair time, after the final end.

4.5 Two ends of practice will be allowed prior to a round starting.

5. Scoring:

5.1 The scoring is 5, 4, 3, 2, 1 from the spot out.

5.2 X-rings shall be counted and used as tie breakers and will be considered part of the official score.

5.3 Archer shall record X's and numeric values of each arrow in each scoring box before touching or drawing any arrows from the target. **No archer may touch the target face before all arrows are scored.**

5.4 An arrow cutting two rings shall be scored in the ring of greater value. Scoring is determined by the position of the shaft. In all Bahamas Archery Rounds, an arrow shaft need only touch the line to be counted in the area of next higher value.

5.5 Witnessed bounce outs or arrows passing completely through the target will be re-shot.

5.6 Hits on the wrong target will be scored as misses.

5.7 When an arrow is dropped while the archer is in the act of shooting, he/she may shoot another arrow in place of the dropped arrow *if any portion of the dropped arrow is within ten feet of the shooting line.*

5.8 If an archer shoots more than the prescribed number of arrows in an end, the excess arrow or arrows of higher value will not be scored. A penalty of one point will be assessed for each arrow shot over the prescribed number of arrows.

5.9 If an archer shoots less than the prescribed number of arrows in one end he/she may shoot his/her remaining arrows if the omission is discovered before the end is officially completed; otherwise they shall be scored as misses.

5.11 The target group, which generally consists of two archers, must agree on the value of each scoring arrow. If agreement cannot be reached, an appeal is made to the line judge, the line judge's call will be final. Once agreed, the second archer must initial the score for each end. **Any ends not initialed by the second archer will be scored as zero.**

*Arrows must not be touched until **all** arrows in the target have been scored. **Any arrows removed prior to all arrows being scored will be scored as zero.***

Each Class/Division must have a minimum of three archers in order for the round to proceed. Should any class/division have less than 3 entrants, the entrants will have the option of moving to the next closest class/division.
